Introduction To Arabic Calligraphy
with AYANified STUDIO

While we read and write from left to right in English

PEACE

The arabic language is from the right to left.

السلام

Calligraphy is an artistic form of writing, and every artist brings their own unique style.

First, let’s practice writing two arabic characters before we try calligraphy:

Next, on the next page we’re going to draw the word السلام (peace) using calligraphy in the shape of a bird!

When you’re done drawing your bird, share it as a greeting of peace to someone you love.
